BRIGHTENERS

These various formulations help to even skin tone, without hydroquinone (a chemical in many fade creams and/or lightening products that can irritate sensitive skin). **8. DDF Brightening Cleanser** (\$30, sephora.com); **9. AmorePacific Pigment Modifier** (\$200, select Neiman Marcus stores)

10. Black Opal Brightening Mask/Scrub (\$8.95, blackopal-beauty.com); **11. Dermalogica Day Bright SPF 15** (\$46.50, 800-345-2761 for store locations)

Benefits: Can minimize uneven pigmentation or protect against future discoloration.
